1           **"7-14-1133. Bonds and obligations.** (1) Except for providing financial support to a private  
2 development organization, including a corporation organized under Title 32, chapter 4, whose purpose is  
3 to advance the economic development of its jurisdiction and of the state and its citizens, an authority may

5 its corporate purposes. The bonds may be in the form and upon terms ~~as~~ that it determines, payable out  
6 of any revenue of the authority, including revenue derived from:

13 interest to become due in any year on the bonds and on any ~~then-outstanding~~ then-outstanding bonds for  
14 which revenue from the same source is pledged exceeds the amount of revenue to be received in that  
15 year, as estimated in the resolution authorizing the issuance of the bonds. The authority shall take all  
16 action necessary and possible to impose, maintain, and collect rates, charges, and rentals and to request  
17 taxes, if any are pledged, sufficient to make the revenue from the pledged source in ~~such~~ that year at least  
18 equal to the amount of principal and interest due in that year.

19          (3) The bonds may be sold at public or private sale and may bear interest as provided in 17-5-102.  
20 Except as otherwise provided in this part, any bonds issued pursuant to this part by an authority may be  
21 payable as to principal and interest solely from revenue of the authority or from particular port,  
22 transportation, storage, or other facilities of the authority. The bonds must state on their face the  
23 applicable limitations or restrictions regarding the source from which principal and interest are payable.

11 in the payment of principal or interest on the bonds or in the performance of any agreement contained in  
12 the proceedings authorizing the bonds or instrument, the payment or performance may be enforced by

24 **"7-14-1636. Bonds and obligations.** (1) An authority may borrow money for any of its corporate

30 (d) other sources.

1           (2) The bonds may be issued by resolution of the authority, without an election and without any  
2 limitation of amount, except that bonds may not be issued at any time if the total amount of principal and  
3 interest to become due in a year on the bonds and on any then-outstanding bonds for which revenue from  
4 the same source is pledged exceeds the amount of the revenue to be received in that year, as estimated  
5 in the resolution authorizing the issuance of the bonds. The authority shall take all action necessary and  
6 possible to impose, maintain, and collect rates, charges, and rentals and to request taxes, if any are

21 facilities."

22

23           **Section 4.** Section 7-34-2416, MCA, is amended to read:

24           **"7-34-2416. Tax-exempt status of bonds.** Bonds issued by a county pursuant to the provisions

 7 be included in computing these limitation totals. The limitation provided in this section does not apply to  
 8 contributions made by a political party eligible for a primary election under 13-10-601."

9

10 **Section 6.** Section 15-1-112, MCA, is amended to read:

11 **"15-1-112. Business equipment tax rate reduction reimbursement to local government taxing**  
 12 **jurisdictions.** (1) On or before January 1, 1996, for the reduction in payment under subsection (4) and by  
 13 June 1 of 1996, 1997, and 1998 for all other reimbursements in this section, the department of revenue  
 14 shall determine a reimbursement amount associated with reducing the tax rate in 15-6-138 and provide  
 15 that information to each county treasurer. The reimbursement amount must be determined for each local  
 16 government taxing jurisdiction that levied mills on the taxable value of property described in 15-6-138 in  
 17 the corresponding tax year. However, the reimbursement does not apply to property described in 15-6-138  
 18 that ~~has had~~ a reduced tax rate benefit under 15-24-1402 prior to [the effective date of this act].

19 (2) (a) The reimbursement amount to be used as the basis for the payment reduction under  
 20 subsection (4) is the product of multiplying the tax year 1995 taxable value of property described in  
 21 15-6-138 for each local government taxing jurisdiction by the tax year 1995 mill levy for the jurisdiction  
 22 and then multiplying by 1/9th.

23 (b) (i) The reimbursement amount for each local government taxing jurisdiction for tax year 1996  
 24 is the amount determined under subsection (2)(a) unless the tax year 1996 market value of property  
 25 described in 15-6-138, for the particular local government taxing jurisdiction, is more than the tax year  
 26 1995 market value for property described in 15-6-138 in the same jurisdiction.

27 (ii) If the tax year 1996 market value is greater than the tax year 1995 market value for a particular  
 28 jurisdiction, then the reimbursement amount for tax year 1996 is the result of subtracting the simulated  
 29 1996 tax from the 1995 tax. The 1995 tax is the tax for the particular jurisdiction, determined by  
 30 multiplying the actual taxable valuation of property described in 15-6-138, for tax year 1995, by the tax

1 year 1995 mill levy for the jurisdiction. The simulated 1996 tax for the particular jurisdiction is the actual  
2 tax year 1996 taxable value of property described in 15-6-138 multiplied by the tax year 1995 mill levy  
3 for the particular jurisdiction. If the simulated 1996 tax is greater than the 1995 tax, the reimbursement  
4 amount is zero.

5 (c) (i) The reimbursement amount for each local government taxing jurisdiction for tax year 1997  
6 is the amount determined under subsection (2)(a) multiplied by two unless the tax year 1997 market value  
7 of property described in 15-6-138, for the particular local government taxing jurisdiction, is more than the  
8 tax year 1995 market value for property described in 15-6-138 in the same jurisdiction.

9 (ii) If the tax year 1997 market value is greater than the tax year 1995 market value for a particular  
10 jurisdiction, then the reimbursement amount for tax year 1997 is the result of subtracting the simulated  
11 1997 tax from the 1995 tax. The 1995 tax is the tax for the particular jurisdiction, determined by  
12 multiplying the actual taxable valuation of property described in 15-6-138, for tax year 1995, by the tax  
13 year 1995 mill levy for the jurisdiction. The simulated 1997 tax for the particular jurisdiction is the actual  
14 tax year 1997 taxable value of property described in 15-6-138 multiplied by the tax year 1995 mill levy  
15 for the particular jurisdiction. If the simulated 1997 tax is greater than the 1995 tax, the reimbursement  
16 amount is zero.

17 (d) (i) The reimbursement amount for each local government taxing jurisdiction for tax year 1998  
18 is the amount determined under subsection (2)(a) multiplied by three unless the tax year 1998 market  
19 value of property described in 15-6-138, for the particular local government taxing jurisdiction, is more  
20 than the tax year 1995 market value for property described in 15-6-138 in the same jurisdiction.

21 (ii) If the tax year 1998 market value is greater than the tax year 1995 market value for a particular  
22 jurisdiction, then the reimbursement amount for tax year 1998 is the result of subtracting the simulated  
23 1998 tax from the 1995 tax. The 1995 tax is the tax for the particular jurisdiction, determined by  
24 multiplying the actual taxable valuation of property described in 15-6-138, for tax year 1995, by the tax  
25 year 1995 mill levy for the jurisdiction. The simulated 1998 tax for the particular jurisdiction is the actual  
26 tax year 1998 taxable value of property described in 15-6-138 multiplied by the tax year 1995 mill levy  
27 for the particular jurisdiction. If the simulated 1998 tax is greater than the 1995 tax, the reimbursement  
28 amount is zero.

29 (3) (a) For purposes of this section, "local government taxing jurisdiction" means a local  
30 government rather than a state taxing jurisdiction that levied mills against property described in 15-6-138,

1 including county governments, incorporated city and town governments, consolidated county and city  
2 governments, tax increment financing districts, local elementary and high school districts, local community  
3 college districts, miscellaneous districts, and special districts. The term includes countywide mills levied  
4 for equalization of school retirement or transportation.

5 (b) The term does not include county or state school equalization levies provided for in 20-9-331,  
6 20-9-333, and 20-9-360. It also does not include any state levy for welfare programs provided for in  
7 53-2-813.

8 (c) Each tax increment financing district must receive the benefit of the state mill on the  
9 incremental taxable value of the district.

10 (4) County treasurers shall reduce the county payment to the state for the levy imposed under  
11 20-9-360 in June of 1996 by an amount equal to 38% of the reimbursement amount determined under  
12 subsection (2)(a) for all of the local government taxing jurisdictions in the county.

13 (5) County treasurers shall reduce the county payment to the state for the levy imposed under  
14 20-9-360 in December of 1996 by an amount equal to 31% of the reimbursement amount for tax year  
15 1996 for all of the local government taxing jurisdictions in the county, as determined by the department  
16 under subsection (2).

17 (6) County treasurers shall reduce the county payment to the state for the levy imposed under  
18 20-9-360 in June of 1997 by an amount equal to 31% of the reimbursement amount for tax year 1996  
19 for all of the local government taxing jurisdictions in the county and by an amount equal to 38% of the  
20 reimbursement amount for tax year 1997 for all of the local government taxing jurisdictions in the county,  
21 as determined by the department under subsection (2).

22 (7) County treasurers shall reduce the county payment to the state for the levy imposed under  
23 20-9-360 in December of 1997 by an amount equal to 31% of the reimbursement amount for tax year  
24 1997 for all of the local government taxing jurisdictions in the county, as determined by the department  
25 under subsection (2).

26 (8) County treasurers shall reduce the county payment to the state for the levy imposed under  
27 20-9-360 in June of 1998 by an amount equal to 31% of the reimbursement amount for tax year 1997  
28 for all of the local government taxing jurisdictions in the county and by an amount equal to 38% of the  
29 reimbursement amount for tax year 1998 for all of the local government taxing jurisdictions in the county,  
30 as determined by the department under subsection (2).

1           (9) County treasurers shall reduce the county payment to the state for the levy imposed under  
 2 20-9-360 in December of 1998 by an amount equal to 31% of the reimbursement amount for tax year  
 3 1998 for all of the local government taxing jurisdictions in the county, as determined by the department  
 4 under subsection (2).

5           (10) County treasurers shall reduce the county payment to the state for the levy imposed under  
 6 20-9-360 in June of 1999 by an amount equal to 69% of the reimbursement amount for tax year 1998  
 7 for all of the local government taxing jurisdictions in the county, as determined by the department under  
 8 subsection (2).

9           (11) County treasurers shall reduce the county payment to the state for the levy imposed under  
 10 20-9-360 in December of the years 1999 through 2007 by an amount equal to 31% of the reimbursement  
 11 amount determined in subsection (13) for all of the local government taxing jurisdictions in the county, as  
 12 determined by the department under subsection (2).

13           (12) County treasurers shall reduce the county payment to the state for the levy imposed under  
 14 20-9-360 in June of the years 2000 through 2008 by an amount equal to 69% of the reimbursement  
 15 amount determined in subsection (13) for all of the local government taxing jurisdictions in the county, as  
 16 determined by the department under subsection (2).

17           (13) (a) The reimbursement amount for tax year 1999 and each subsequent tax year for 9 years  
 18 must be progressively reduced each year by 10% of the reimbursement amount for tax year 1998,  
 19 according to the following schedule:

20 Tax Year	Percentage of 1998 21 Reimbursement Amount
22 1999	90
23 2000	80
24 2001	70
25 2002	60
26 2003	50
27 2004	40
28 2005	30
29 2006	20
30 2007	10

1 2008 and following years 0

2 (b) The reimbursement amount for each tax year must be the basis for reducing the amount  
3 remitted to the state for the levy imposed under 20-9-360 in December of the same year and June of the  
4 following year.

5 (14) The county treasurer shall use the funds from the reduced payment to the state for the levy  
6 imposed under 20-9-360 to reimburse each local government taxing jurisdiction in the amount determined  
7 by the department under subsection (2). The reimbursement must be distributed to funds within local  
8 government taxing jurisdictions in the same manner as taxes on property described in 15-6-138 are  
9 distributed. The reimbursement in June must be distributed based on the prior year's mill levy, and the  
10 reimbursement in December must be based on the current year's mill levy.

11 (15) Each local government taxing jurisdiction receiving reimbursements shall consider the amount  
12 of reimbursement that will be received and lower the mill levy otherwise necessary to fund the budget by  
13 the amount that would otherwise have to be raised by the mill levy.

 20 ~~resident and nonresident taxpayers, each single~~ Each individual, including each nonresident with Montana  
 21 source income, and each estate or trust shall file ~~each married individual not filing a joint return with a~~  
 22 ~~spouse and having a gross income for the tax year of more than \$1,500, as adjusted under the provisions~~  
 23 ~~of subsection (7), and married individuals not filing separate returns and having a combined gross income~~  
 24 ~~for the tax year of more than \$3,000, as adjusted under the provisions of subsection (7), are liable for a~~  
 25 ~~return to be filed on forms and according to rules that the department may prescribe~~ if required to file a  
 26 federal income tax return pursuant to the Internal Revenue Code. ~~The gross income amounts referred to~~  
 27 ~~in the preceding sentence must be increased by \$800, as adjusted under the provisions of 15-30-112(6),~~  
 28 ~~for each additional personal exemption allowance that the taxpayer is entitled to claim for the taxpayer~~  
 29 ~~and the taxpayer's spouse under 15-30-112(3) and (4).~~

30 ~~———(2) In accordance with instructions set forth by the department, each taxpayer who is married and~~

1 ~~living with husband or wife and is required to file a return may, at the taxpayer's option, file a joint return~~  
2 ~~with husband or wife even though one of the spouses has neither gross income nor deductions. If a joint~~  
3 ~~return is made, the tax must be computed on the aggregate taxable income and the liability with respect~~  
4 ~~to the tax is joint and several. If a joint return has been filed for a tax year, the spouses may not file~~  
5 ~~separate returns after the time for filing the return of either has expired unless the department consents.~~

6 ~~(3)(2)~~ If a taxpayer is unable to make the taxpayer's own return, the return must be made by an  
7 authorized agent or by a guardian or other person charged with the care of the person or property of the  
8 taxpayer.

9 ~~(4)(3)~~ All taxpayers, including but not limited to those subject to the provisions of 15-30-202 and  
10 15-30-241, shall compute the amount of income tax payable and shall, at the time of filing the return  
11 required by this chapter, pay to the department any balance of income tax remaining unpaid after crediting  
12 the amount withheld, as provided by 15-30-202, and any payment made by reason of an estimated tax  
13 return provided for in 15-30-241. However, the tax computed must be greater by \$1 than the amount  
14 withheld and paid by estimated return as provided in this chapter. If the amount of tax withheld and the  
15 payment of estimated tax exceed by more than \$1 the amount of income tax as computed, the taxpayer  
16 is entitled to a refund of the excess.

17 ~~(5)(4)~~ As soon as practicable after the return is filed, the department shall examine and verify the  
18 tax.

19 ~~(6)(5)~~ If the amount of tax as verified is greater than the amount paid, the excess must be paid  
20 by the taxpayer to the department within 60 days after notice of the amount of the tax as computed, with  
21 interest added as provided in 15-1-216. In that case, there may not be a penalty because of the  
22 understatement if the deficiency is paid within 60 days after the first notice of the amount is mailed to the  
23 taxpayer.

24 ~~(7)~~ By November 1 of each year, the department shall multiply the minimum amount of gross  
25 income necessitating the filing of a return by the inflation factor for the tax year. These adjusted amounts  
26 are effective for that tax year, and persons who have gross incomes less than these adjusted amounts are  
27 not required to file a return.

28 ~~(8)(6)~~ Individual income tax forms distributed by the department for each tax year must contain  
29 instructions and tables based on the adjusted base year structure for that tax year."

1            **NEW SECTION. Section 21. Taxation of S. corporations and shareholders.** (1) Except as provided  
2 in the Internal Revenue Code, shareholders and not S. corporations are subject to tax. An S. corporation  
3 that has Montana source income shall file an information return on forms prescribed by the department  
4 on or before the 15th day of the 5th month following the close of the corporation's annual accounting  
5 period and, at the request of the department, shall furnish a copy of its federal income tax return for an  
6 S. corporation.

7            (2) A shareholder of an S. corporation that has Montana source income and a resident who is a  
8 shareholder of an S. corporation during any part of the tax period shall include a copy of the federal  
9 schedule of the shareholder's share of income, deductions, and credits when filing the Montana individual  
10 income tax return.

11           (3) If two or more nonresident shareholders whose only Montana source income derives from the  
12 S. corporation consent, an S. corporation with resident and nonresident shareholders may elect to file a  
13 composite tax return and remit a composite tax payment, as provided in [section 22], on behalf of all  
14 consenting nonresident shareholders whose only Montana source income derives from the S. corporation.  
15 The electing S. corporation and the consenting nonresident shareholders are not required to file the returns  
16 otherwise required by this section or to pay the income taxes otherwise imposed in this chapter.

17           (4) The department may disallow a shareholder's percentage of ownership of any separately or  
18 nonseparately stated loss, deduction, or credit of an S. corporation or item of loss, deduction, or credit  
19 of an S. corporation if the S. corporation does not file a return as required by subsection (1).

20

21           **NEW SECTION. Section 22. Composite returns and tax.** (1) Prior written permission from the  
22 department is required to file a composite return. The return must be made on forms that the department  
23 prescribes and must be filed on or before the due date for filing a Montana individual income tax return,  
24 subject to extension as provided for individual income tax returns.

25           (2) For the purposes of this section, a "participant" is a consenting nonresident partner or S.  
26 corporation shareholder.

27           (3) A tax on each participant is determined as follows:

28           (a) Each participant's distributive or allocable share of the entity's income, gain, credit, loss,  
29 deduction, and expense as determined for federal income tax purposes must be aggregated, and that  
30 aggregate amount for each participant must be reduced by the basic standard deduction of an individual

1 who is not married and who is not a surviving spouse or head of household, as determined under section  
2 63(c)(2) of the Internal Revenue Code (26 U.S.C. 63(c)(2)), and by the personal exemption for one  
3 individual, as determined under section 151(d) of the Internal Revenue Code (26 U.S.C. 151(d)), to  
4 determine each participant's composite return federal taxable income.

5 (b) The entity shall determine:

6 (i) each item of income, gain, credit, loss, deduction, and expense that is Montana source income  
7 or otherwise attributable to Montana; and

8 (ii) each participant's distributive or allocable share of those items listed in subsection (3)(b)(i).

9 (c) The distributive or allocable share of the items described in subsection (3)(b)(i) must be  
10 aggregated for each participant to determine each participant's composite return Montana source income.

11 (d) A preliminary tax is calculated for each participant on the composite return federal taxable  
12 income determined under subsection (3)(a) in accordance with the table at 15-30-103(1)(c), adjusted as  
13 provided in 15-30-103(2), as follows:

14 (i) on the first \$8,400 of composite return federal taxable income or any part of that income,  
15 3.9%;

16 (ii) on the next \$26,400 of composite return federal taxable income or any part of that income,  
17 4.9%;

18 (iii) on the next \$43,200 of composite return federal taxable income or any part of that income,  
19 5.8%; and

20 (iv) on any composite return federal taxable income in excess of \$78,000 or any part of that  
21 income, 6.8%.

22 (e) The tax determined under subsection (3)(d) for each participant is multiplied by a fraction, the  
23 numerator of which is the participant's composite return Montana source income and the denominator of  
24 which is the participant's composite return federal taxable income, to determine the amount of tax  
25 assessed with respect to that participant.

26 (4) By November 1 of each year, the department shall multiply the bracket amounts contained in  
27 subsection (3)(d) by the inflation factor for that tax year and round the cumulative brackets to the nearest  
28 \$100. The resulting adjusted brackets are effective for that tax year and must be used as the basis for  
29 imposition of the tax calculated in subsection (3)(e).

30 (5) The electing entity:

1 (a) shall remit to the department the total of all taxes determined under subsection (3)(e) for each  
2 participant;

3 (b) is responsible for any assessments of additional tax, penalties, and interest, which additional  
4 assessments must be based on the total liability reflected in the composite return;

5 (c) shall represent the participants in any appeal, claim for refund, hearing, or court proceeding  
6 in any matters relating to the filing of the composite return;

7 (d) shall make quarterly estimated tax payments as prescribed by 15-30-241; and

8 (e) shall maintain a file of powers of attorney executed by each participant included in the  
9 composite return, authorizing the entity to file the composite return and to act on behalf of each  
10 participant.

11 (6) The department may adopt rules that are necessary to implement and administer this section.

12

15 allowed a tax credit against the taxes imposed by 15-30-103 or 15-31-101 in an amount equal to 50%  
16 of the present value of the aggregate amount of the charitable gift portion of a planned gift made by the  
17 taxpayer during the year to any qualified endowment. The maximum credit that may be claimed by a  
18 taxpayer for contributions made from all sources in a year is \$10,000. The credit allowed under this  
19 section may not exceed the taxpayer's income tax liability.

20 (2) The credit allowed under this section ~~may not be claimed by an individual taxpayer if the~~  
21 ~~taxpayer has included the full amount of the contribution upon which the amount of the credit was~~  
22 ~~computed as a deduction under 15-30-121(1) or 15-30-136(2) must be reduced by 7% of the amount of~~  
23 ~~the contribution deducted in the taxpayer's federal income tax return.~~

24 (3) There is no carryback or carryforward of the credit permitted under this section, and the credit

26 ~~9, Ch. 537, L. 1997.)"~~

- 5 Fourth 15th day of the month following
- 6 the close of the tax year

7 (3) (a) Except as provided in subsection (4), each installment must be 25% of the required annual  
 8 payment determined pursuant to subsection (1). If the taxpayer's tax situation changes, each succeeding  
 9 installment must be proportionally changed so that the balance of the required annual payment is paid in  
 10 equal installments over the remaining period of time.

11 (b) If the taxpayer's tax situation changes after the date for the first installment or any subsequent  
 12 installment, as specified in subsection (2)(a) or (2)(b), so that the taxpayer is required to pay estimated  
 13 taxes, the taxpayer shall pay 25% for each succeeding installment except for the first one in which a  
 14 payment is required. For estimated taxes required to be paid beginning with the second installment  
 15 provided for in subsection (2)(a) or (2)(b), the taxpayer shall pay 50% for that installment and 25% for  
 16 the third and fourth installments, respectively. For estimated taxes required to be paid beginning with the  
 17 third installment provided for in subsection (2)(a) or (2)(b), the taxpayer shall pay 75% for that installment  
 18 and 25% for the fourth installment.

19 (4) (a) If for any required installment the taxpayer determines that the installment payment is less  
 20 than the amount determined under subsection (3)(a), the lower amount may be paid as an annualized  
 21 income installment.

22 (b) For any required installment, the annualized income installment is the applicable percentage  
 23 described in subsection (4)(c) applied to the tax computed on the basis of annualized taxable income in  
 24 the tax year for the months ending before the due date for the installment less the total amount of any  
 25 prior required installments for the tax year.

26 (c) For the purposes of this subsection (4), the applicable percentage is determined according to  
 27 the following schedule:

28 Required Installment	Applicable Percentage
29 First	22.5%
30 Second	45%

1 Third 67.5%

2 Fourth 90%

3 (d) A reduction in a required installment resulting from the application of an annualized income  
4 installment must be recaptured by increasing the amount of the next required installment, determined  
5 under subsection (3)(a), by the amount of the reduction. Any subsequent installment must be increased  
6 by the amount of the reduction until the amount has been recaptured.

7 (5) (a) If an estimated tax, an employer withholding tax, or a combination of estimated tax and  
8 employer withholding tax is underpaid, there must be added to the amount due under this chapter interest  
9 equal to 12% a year on the amount of the underpayment. The interest is computed on the amount of the  
10 underpayment, as determined in subsection (5)(b), for the period from the time the payment was due to  
11 the date payment was made or to the 15th day of the 4th month of the year following the tax year in  
12 which the payment was to be made, whichever is earlier.

13 (b) For the purpose of determining the amount of interest due in subsection (5)(a), the amount of  
14 the underpayment is the required installment amount less the installment amount paid, if any, on or before  
15 the due date for the installment.

16 (c) For the purpose of determining the amount of interest due in subsection (5)(a), an estimated  
17 payment must be credited against unpaid required installments in the order in which those installments are  
18 required to be paid.

19 (d) For each married taxpayer filing separately on the same form, the interest provided for in  
20 subsection (5)(a) must be computed on the combined tax liability after reductions for credits and  
21 withholding, as shown on the taxpayer's return.

22 (e) Interest may not be charged with respect to any underpayment of the fourth installment of  
23 estimated taxes if:

24 (i) the taxpayer pays in full the amount computed on the return as payable; and

25 (ii) the taxpayer files a return on or before the last day of the month following the close of the tax  
26 year referred to in subsection (2)(a) or (2)(b).

27 (6) For the purposes of this section, "farmer or rancher" means a taxpayer who derives at least  
28 ~~66 2/3%~~ 2/3% of the taxpayer's gross income, ~~as defined in 15-30-101(7),~~ as determined for federal income  
29 tax purposes, from farming or ranching operations, or both.

30 (7) The department shall promulgate rules governing reasonable extensions of time for paying the

1 estimated tax. An extension may not be for more than 6 months."

5 received from the member:

6 (i) a son or daughter of the member or a descendant of either;

1 relationship to the minor.

2 (9) A person is not considered a resident for the purposes of this section if the person:

23 NEW SECTION. Section 51. Transition. (1) As used in this section, the following definitions apply:

24 (a) "Transition item" means any difference arising prior to January 1, 2002, from a difference in  
25 federal and Montana income tax laws in:

26 (i) the amount, character, realization, or recognition of income or an item of income, gain, or  
27 credit;

28 (ii) the amount, character, allowance, or disallowance of loss or an item of loss, deduction, or  
29 expense; or

30 (iii) the basis of an asset or liability that will not after December 31, 2001, increase or decrease

1 a taxpayer's federal taxable income.

2 (b) "Transition adjustment" means the net sum of all positive and negative adjustments to a  
3 taxpayer's Montana taxable income related to transition items provided in subsection (3).

4 (2) No adjustment to Montana taxable income may be made to take transition items into account  
5 except that a taxpayer may elect to make a transition adjustment to Montana taxable income to take a  
6 transition item into account as provided in this section.

7 (3) On or before the due date, including extensions, of a return for the tax year ending after  
8 December 31, 2001, and before January 1, 2003, a taxpayer may on forms that the department  
9 prescribes file an election to make a transition adjustment to Montana taxable income. The election must  
10 specify and account for all transition items, including but not limited to the following:

11 (a) If a taxpayer has a disallowed passive activity loss within the meaning of section 469 of the  
12 Internal Revenue Code (26 U.S.C. 469) that is carried over to a tax year ending after December 31, 2001,  
13 and before January 1, 2003, and if the amount of the federal carryover is not the same amount as the  
14 Montana carryover, the difference is a positive adjustment to the taxpayer's Montana taxable income if  
15 the Montana carryover is smaller than the federal carryover and the difference is a negative adjustment  
16 to the taxpayer's Montana taxable income if the Montana carryover is larger than the federal carryover.

17 (b) If a taxpayer has excess long-term or short-term net capital loss described in section  
18 1212(b)(1) of the Internal Revenue Code (26 U.S.C. 1212(b)(1)) that is carried over to a tax year ending  
19 after December 31, 2001, and before January 1, 2003, and if the amount of the federal carryover is not  
20 the same amount as the Montana carryover, the difference is a positive adjustment to the taxpayer's  
21 Montana taxable income if the Montana carryover is smaller than the federal carryover and the difference  
22 is a negative adjustment to the taxpayer's Montana taxable income if the Montana carryover is larger than  
23 the federal carryover.

24 (c) If a taxpayer or a taxpayer and the taxpayer's spouse made an election on the taxpayer's  
25 federal return to defer income ratably for 4 years because of a conversion from an IRA, other than a Roth  
26 IRA, to a Roth IRA pursuant to section 408A(d)(3) of the Internal Revenue Code (26 U.S.C. 408A(d)(3))  
27 but included all the income in the taxpayer's Montana income tax return, the sum of the balance of the  
28 federal deferred amount as of January 1, 2002, is a negative adjustment to the taxpayer's Montana  
29 taxable income.

30 (d) Notwithstanding the deduction that a taxpayer would be allowed for net operating loss

1 carryovers and net operating loss carrybacks under section 172(a) of the Internal Revenue Code (26 U.S.C.  
 2 172(a)) in a tax year ending after December 31, 2001, and before January 1, 2003, if the taxpayer's  
 3 federal net operating loss is different from the taxpayer's Montana net operating loss as of December 31,  
 4 2001, no adjustment to the taxpayer's Montana taxable income may be made.

5 (e) If a taxpayer has an asset with a different adjusted basis for federal and Montana income tax  
 6 purposes after taking into account the effect of the adjustments provided in subsections (3)(a), (3)(b), and  
 7 (3)(c), the difference is a positive adjustment to the taxpayer's Montana taxable income if the Montana  
 8 adjusted basis is higher than the federal adjusted basis and the difference is a negative adjustment to the  
 9 taxpayer's Montana taxable income if the Montana adjusted basis is lower than the federal adjusted basis.

10 (f) If a taxpayer has a liability with a different adjusted basis for federal and Montana income tax  
 11 purposes after taking into account the effect of the adjustments provided in subsections (3)(a), (3)(b), and  
 12 (3)(c), the difference is a negative adjustment to the taxpayer's Montana taxable income if the Montana  
 13 adjusted basis is higher than the federal adjusted basis and the difference is a positive adjustment to the  
 14 taxpayer's Montana taxable income if the Montana adjusted basis is lower than the federal adjusted basis.

15 (g) If a taxpayer received a refund of federal income tax the deduction of which in a tax year  
 16 beginning after December 31, 2000, resulted in a reduction of Montana income tax liability, the refund is,  
 17 to the extent the deduction resulted in a reduction of Montana income tax liability, a positive adjustment  
 18 to the taxpayer's Montana taxable income.

19 (4) The department is authorized to adopt rules and require facts and information to be reported  
 20 that it considers necessary to administer the transition adjustment provided in this section.
